

# Lean Six Sigma Mastery Bundle

---

## *Green Belt + Black Belt Certification Path*

Lead Projects. Master Advanced Analytics. Drive Transformation.

The Leanademy Lean Six Sigma Mastery Bundle combines Green Belt and Black Belt training into a single, streamlined certification path. Participants progress efficiently from project leadership to advanced transformation expertise while completing one integrated, real-world improvement project.

### **What's Included**

- Green Belt training focused on data-driven DMAIC project leadership
- Black Belt training covering advanced statistics, DOE, and enterprise transformation tools
- One integrated certification project used for both Green Belt and Black Belt
- SigmaXL software access and project coaching included

### **Certifications Earned**

Participants who successfully complete the Mastery Bundle earn both Lean Six Sigma Green Belt and Lean Six Sigma Black Belt certifications. Certification requires completing all training components, passing the certification assessments, and obtaining approval for the integrated project.

### **Investment & Value**

- Mastery Bundle Investment: \$4,495
- Green Belt (standalone): \$2,495
- Black Belt (standalone): \$2,495
- Total if taken separately: \$4,990
- Bundle savings of \$495, with reduced project duplication

### **Who This Bundle Is For**

- Professionals ready to accelerate from Green Belt to Black Belt
- Individuals leading high-impact or cross-functional improvement projects
- Organizations building advanced Lean Six Sigma leadership capability
- Future Black Belts candidates

### **Your Next Step**

Download the Green, Black, and Mastery Bundle flyers or request a complimentary 30-minute consultation to determine whether this accelerated path is right for you or your organization.
